# REPORT ON WORK PERFORMED FOR 2022

---

# WORK WITH THE CITY COUNCIL

The team of CF Shchedryk ensures the search and delivery of humanitarian goods to Mykolaiv for the city's humanitarian headquarters

**From March 1, 2022 to December 21, 2022:**

4509.82 tons of humanitarian cargo were delivered (this is 15073.43 cubic meters).  
467 car walkers were made for the delivery of this amount of cargo

# WORKING WITH WFP

One of CF Shchedryk's main areas of work is the coordination of the WFP (the UN-based World Food Program) together with our partner NGO Tarilka.

Assistance is provided on an ongoing basis in the form of a food package (bread + canned food). There is established cooperation with more than 30 Territorial Communities of the Mykolaiv and Kherson regions.

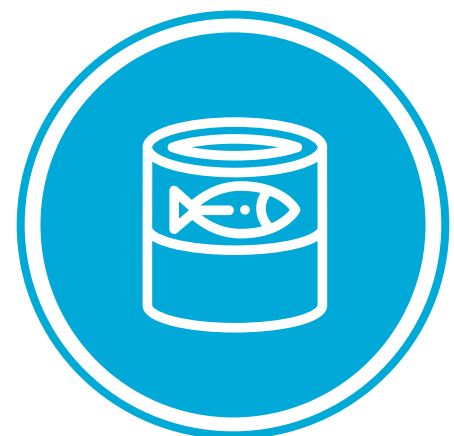

## ON APRIL 16, 2022, WE STARTED TO WORK UNDER THE WFP PROGRAM IN MYKOLAIV AND THE MYKOLAIV REGION

more than **6** million pieces of bread were issued during the entire period

more than **2.5** million pieces of canned goods were issued for the entire period

**150**

delivery points

More than 150 delivery points operate in different parts of the city and region

**300**

volunteers

More than 300 volunteers are involved every day to provide assistance to the population

**50**

thousand kits

We issue more than 50,000 kits every day

# 1 000 000 UAH

More than **1 million hryvnias** of extra-budgetary funds were involved, which were directed to ensure the food needs of the Mykolaiv district residents (the baking and distribution of social bread).

# KHERSON AND THE KHERSON REGION

The first truck with products was delivered to the city of Kherson, and goods were distributed to people on November 15, 2022, a few days after the liberation of Kherson.

## BY THE END OF 2022, THROUGHOUT THE ENTIRE KHERSON REGION:

60

60 aid distribution points were opened in the Kherson region

150

150 volunteers were involved in the work every day

500

500,000 loaves of bread were delivered for the entire period

700

700,000 pieces of canned goods were delivered as part of public assistance

# PRODUCT KITS

In cooperation with many organizations and foundations, we ensured the distribution of humanitarian kits to vulnerable sections of the population. Almost 4,000 kits were issued and delivered to high-rise buildings in accordance with the lists. To date, we are giving out more than 200 kits per week to citizens who need them.

*The categories are in the diagram*

# APPLICATIONS FOR ASSISTANCE

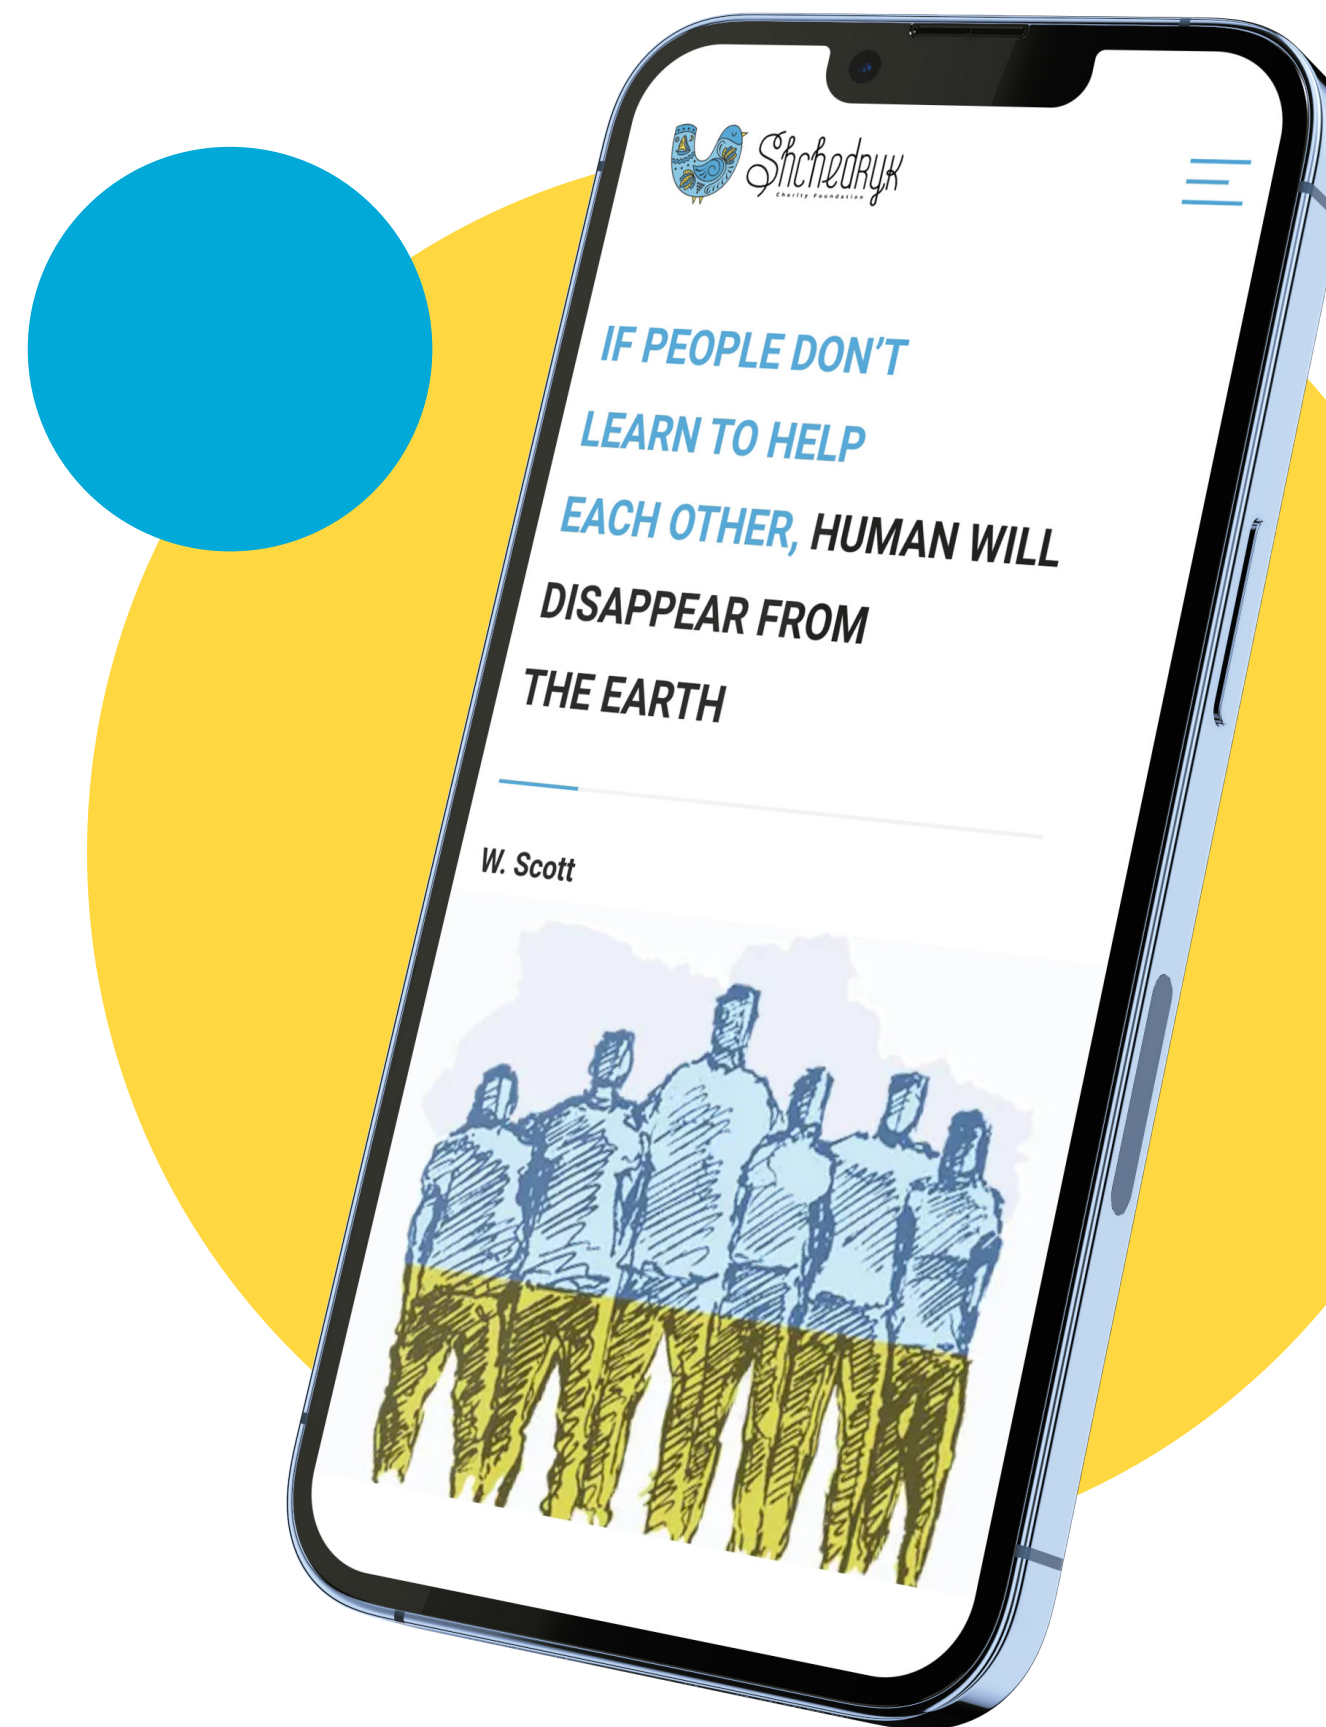

We are currently accepting applications through the website

<https://shchedryk.info/>

There are delivery points in each of the city districts. Home delivery is available for those who are bedridden.

# ASSISTANCE TO MEDICAL FACILITIES

In Mykolaiv, we ensured the delivery of important medical drugs and medical equipment to the city's hospital

Aid in the form of medical drugs, hospital equipment, and generators was collected and delivered to Kherson immediately after the liberation
